## Epson® CW-C6500A-WH

### Color, beautiful color – works on all nursery products!

WestHort is excited to launch our modified version of the Epson ColorWorks C6500A!

Not only can this printer replace black and white thermal transfer printers with full color inkjet, it also can print on thick nursery materials.

On-Demand Color will enhance brand recognition, showcase colorful plants that are immature at sale and give you flexibility in your printing operations.

- Creates bright, beautiful prints and when used with our labels and nursery products will produce waterproof, fade resistant and abrasion resistant tags.
- 1200 dpi for amazing, clear, crisp prints
- Fits media as wide as 8.375"
- Prints on thick stakes and signs
- High speed printing for hang tags and labels
- Includes USB and Ethernet connectivity

\$ 3,500.00

*We think this is a fantastic nursery printer that will give you a leg up on your competition.*

## Toshiba® TEC-B-EX6T1-300-WH

### Our modified version – prints all labels, end-to-end wrap-around tags, thin and thick pot stakes.

WestHort is proud to present our modified Toshiba TEC-B-EX6T1-300-WH!

Like the original, this printer is built for rugged environments, near-edge tech for faster print speed, dual ribbon motor for better ribbon handling and ribbon save tech to save you money on consumables.

#### What makes this printer special?

- Prints on thick stakes, signs, and labels.
- Prints wider media tags up to 6.6" and handles 10" wide media.

\$ 3,895.00

*In our humble opinion, this is the best proven nursery production printer out there.*

## Let Us Customize Your Labels and Tags!

We can print your company logo, company name, website address, etc. on all your labeling products. With custom colors and graphics printed on press or using our imprinting service. We also offer label design, image retouching, and custom automation solutions. Call 1-800-200-8023 for options.

#### Wrap-Around Tree Tags

We offer custom printed wrap-around tree tags. These tags work well for small or large volume needs. Customers can run the printed tags through a thermal printer at a later time to add additional information to the tags.

#### Pot Stakes

We offer custom printed pot tags. These tags work well for small or large volume needs. Customers can run the printed tags through a thermal printer at a later time to add additional information.

#### Labels

We offer custom printed labels. Like the customizable tags, the printed labels can be run through a thermal printer at a later time to add additional information.

Perf Optional

## Imprinting Service

 Printing, Black & White. . . . . \$ 18.00 per thousand  
 Variety Change . . . . . \$ 5.00 per variety  
 Additional charges apply for colored ribbons, serialization and custom requests.

### COLOR IMPRINTING SERVICE

Please call for details.

## On-Demand Full Color Printers

These printers utilize ultra pigment-based inks for water, smudge, light and ozone resistant printing on a variety of paper and synthetic nursery media.

*Designed for high-duty commercial environments.*

*Go to page 8 for a full list of compatible media.*

### Epson® EPS-CW-6000A **Color on a smaller scale.**

*Includes both USB and ethernet connectivity.*

The smaller cousin to the C6500A, this colorful inkjet printer uses the same pigmented ink to give you beautiful, vivid, long-lasting and durable prints with two distinct differences:

- Prints on media up to 4.25" wide
- Prints on thin nursery media up to 10mm

This is a fantastic mid-level color printer that can satisfy many of your nursery needs.

**\$ 2,450.00**

### Epson® EPS-TM-C7500

*Includes both USB and ethernet connectivity.*

High quality label printer that prints beautiful, long lasting labels up to 4.25" wide at an astounding 12" per second.

- High speed printing for hang tags and labels

**\$ 7,495.00**

*Call or see website for current specials*

## Thermal Transfer Printers

### TSC-TTP-247-Hort Printer

*Great entry level thermal transfer printer for the nursery industry.*

The TSC printer prints on wrap arounds, thin pot stakes, labels, and other materials up to 4.4" wide using the long lasting thermal transfer process. The small clamshell design includes an external unwinder, and is convenient when storing. Comes with either USB (\$575.00) or Ethernet (\$680.00).

**\$ 575.00\*** (includes unwind)

### TSC MB340T

*Prints all labels, end to end wrap-around tags & Thin Pot Stakes\**

WestHort is pleased to introduce this high performance modified thermal transfer printer that prints 4" and fits all 4.5" tags and labels. Similar to M-Class printers, this printer features 300 dpi printhead for crisp images, fast label output and one-step set-up. What could be easier?

**\*Note: Only works with thin potstakes.**

**\$ 1,181.00\***

*\*Thermal Transfer printers come with 1 year free printer technical support - \$250 Value*

# NEW *Game Changer!*

## The Epson® C6500 Inkjet Color Printer

8.375" wide color printer with the auto-cutter feature

The new 8" wide on demand color printer with pigmented inkjet technology is perfect for nurseries and greenhouses. Beautiful high quality print at incredibly fast speeds onto our long lasting, durable nursery tags and labels. Prints on continuous and die cut media up to 8.375" wide.

### Epson® CW-C6500A-WH

8.375" wide color label printer with the auto-cutter feature

**WestHort** enhanced to run:

- Thick Potstakes
- Wrap-arounds
- Signs
- Labels

We have a full offering of Epson and Canon color label printers. Please feel free to call and see how we can help solve your tagging and labeling problems!

With outstanding color!

Let us give you peace of mind with our included  
1 year remote install & technical support for your printer.  
A \$250 value!

## Software

### NiceLabel<sup>®</sup> 2020

*Designer Express* \$265.00

This edition allows you to design professional labels with text, logos, barcodes, and much more. This edition also allows connectivity to Excel spreadsheets only. Limited to one printer.

*Designer Pro* \$535.00

All of NiceLabel's most powerful label design features. Adds the ability to link your label design to external data, RFID encoding, and data entry forms. Limited to one printer.

*Powerforms 2020* \$995.00

Includes all the label design features in Designer Pro. Adds a suite of network administration, business system integration, and automation features.

### BarTender<sup>®</sup> BY SEAGULL SCIENTIFIC

*BarTender<sup>®</sup> 2020*

*Starter Edition* \$295, one printer

*Professional 2020* \$495, one printer

*We have a complete Bartender offering from Starter edition through Automation edition, please let us know your needs.*

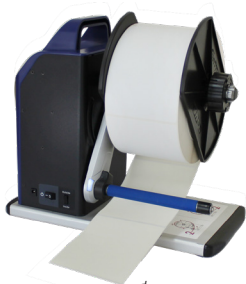

## Printing Accessories

*5 year warranty* on Rewinders and Unwinders  
3 Year Warranty on other equipment

### REWINDERS

*We highly recommend motorized rewinders if your in-house imprinting jobs require anything but the smallest of volumes. They are not only a great convenience but they provide a consistent path as your job exits the printer which can have a significant impact on print quality.*

### Rewinders

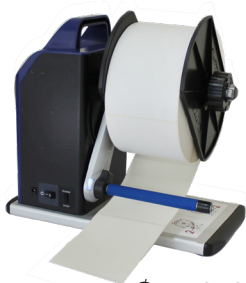

\$395.00

*Godex T-10*

*Thermal Transfer Rewinder 4" wide: T-10*

*Color Rewinder 4" wide: T-10 VR*

- Coreless, 1", 1.5", or 3" core
- Label Width up to 4.72"
- Roll Diameter up to 8.0"
- Switchable rewind direction

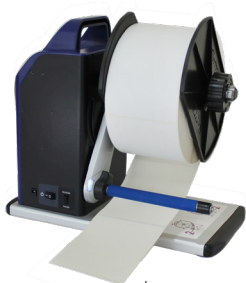

\$449.00

*Godex T-20*

*Thermal Transfer Rewinder 6" wide: T-20*

*Color Rewinder 6" wide: T-20 VR*

- Coreless, 1", 1.5", or 3" core
- Label Width up to 7.0"
- Roll Diameter up to 6.0"
- Switchable rewind direction

\$495.00

*Godex T-30*

*Thermal Transfer Rewinder 8" wide: T-30*

*Color Rewinder 8" wide: T-30 VR*

- Coreless, 1", 1.5", or 3" core
- Label Width up to 9.0"
- Roll Diameter up to 6.0"
- Switchable rewind direction

**Color Rewinders  
have lower tension  
settings for inkjet  
printers.**

# Printing Accessories

Additional models and a wide variety of optional features are available. Please call for details.

6

## LABEL DISPENSER

Automatically advances the next label ready to pick.

### LD-100-RS

- Peel & Present operation
- Adjustable length of label dispensed
- Adjustable dispensing speed

Not for use with transparent labels.

\$575.00

## LABEL SLITTER

Easily slit multiple-across label rolls into individual rolls.

### S-100

- Label Widths up to 6"
- Two adjustable blades

\$495.00

## Ink - Inkjet

**EPSON®**  
EXCEED YOUR VISION

All WestHort inks are genuine Epson brand.

Engineered for industrial outdoor applications and are water proof and fade resistant.

### Epson® CW6000/CW6500

\$ 51.00 Ink Cartridge

EPS-SJIC35P-c, EPS-SJIC35P-y, EPS-SJIC35P-m  
(each color sold separately)

### Epson® TM-C3500

\$ 22.00 Ink Cartridge

EPS-SJIC22P  
(each color sold separately)

### Epson® TM-C7500

\$ 170.00 Ink Cartridge

EPS-SJIC30P  
(each color sold separately)

## Ribbons - Thermal Transfer

### TSC & Datamax Printers

Traditional printheads perform best with ribbons designed for the technology. We have two outstanding options available for Datamax's new IntelliSEAQ printhead. Free samples are available for you to test. *Just ask !*

#### Premium Series ribbons

Specifically engineered as our premium resin ribbons for Datamax printers, this ribbon exhibits outstanding performance at high print speeds, yielding exceptional print quality and image durability, wound in.

#### Value Series ribbons

Premium resin/wax hybrid ribbon, this ribbon prints clear crisp text and barcodes at high speeds up to 12 ips, with moderate scratch resistance.

All at a great price point, wound in.

Prices are per roll

- 100 per bundle
- Sold in packs of 10 bundles (1,000 loops)

| Catalog #     | Price<br>per 1,000 |
|---------------|--------------------|
| AST-ELASTIC-4 | 53.50              |

## What our Customers Say...

"We can say without reservation that working with WestHort has been exceptional, while our experience with several other vendors had been the opposite. Each person that helped us in our effort to procure custom-made thermal labels for our customer proved helpful, knowledgeable and incredibly responsive to both phone calls and emails. Working with the guys on the inside sales was great too. With their help we were able to provide a satisfactory and high-quality product to our customer. Thank you so much!"

### No More Wasted Color Tags:

Katrina  
The Printer Place

"The Epson C831 label printer and BarTender Software are a fantastic addition to our research greenhouse. The ability to quickly and easily print tags in color with photos make this label printer really stand out and is ideal for the various ongoing project. The tags are printed very quickly, quietly, with high-quality photos and text. WestHort was extremely easy to work with and helped us get everything set up and working within moments of receiving the printer and supplies. Their sales and support staff are phenomenal."

### On Demand Color Solutions:

Josh  
University of Pennsylvania

"The inkjet potstakes have been working really well and print beautifully with our Epson C831 printer. We've been happy with the quality of both the printer and the material. We look forward to our continued relationship with WestHort as we develop further into the on demand color printing market."

Ken Cox  
Perennial Favorites, UT

### Complete Source For Nursery:

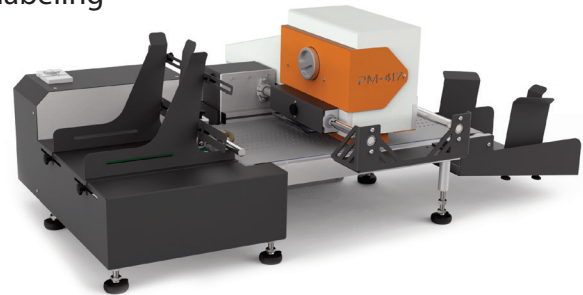

"WestHort is my go-to source for all my labeling needs. They are always friendly and responsive and work to get me the best products that perform for the horticultural industry. You always feel like their number one customer, no matter how large or small the order is. I would recommend them to any grower out there - you will not be disappointed!"

Cheryl Awater  
Smith Gardens, WA

# Our Professional Printing Platform

## *Will help you:*

- Transfer into lean production for tagging and labeling
- Make personalized tags for your customers
- Shrink the size of your tag room
- Save immensely on what you are currently paying for tags

## *What it can do:*

- Print variable data price, barcode, customer logos on your existing preprinted tags and labels, no cover up labels needed
- Print full color on individual tags in production volume
- Provide labor savings by validating the data on your tags and less time spent on correcting mistakes

## *Let us help you automate your tagging operation!*

## Terms & Conditions

### *Quotes*

- All quotes are valid for 30 days, unless specifically noted otherwise.

### *Samples*

- Stock items will be shipped via ground at no charge.
- For custom items we will provide a material sample and the Material Safety Data Sheet upon request.
- Some custom sample requests may incur a cost. Please speak to your sales representative regarding your specific application.

### *Placing Orders*

- We request that orders be emailed or faxed to us to minimize errors.
- Custom orders are subject to a +/- 10% variance.
- Submission of an order infers that product has been tested and found acceptable in end-use environment.
- Orders are confirmed via email.

### *Cancelling Orders*

- For custom orders, any expense incurred up to the time of cancellation will be billable.

### *Shipping*

- All products will ship via our preferred carrier, unless otherwise noted on customer's order.
- Freight includes handling but not insurance, unless requested by customer.
- Drop-ship freight is F.O.B. from factory and we assume no responsibility for loss or damage.

### *Returns*

- Stock items may be returned within 90 days, subject to a 15% restocking charge.
- Please call our office to have the return authorized prior to returning the goods.
- The RMA number needs to be displayed on the outside of all boxes and on the packing slip.
- No returns on custom products unless there is a quality issue.

### *Terms*

- We accept Visa and MasterCard. Your card will be pre-authorized upon order entry but will not be charged until we ship your order.
- Businesses may request an open account. Upon credit approval, terms are net 30 days. If your open account is paid with a credit card, a 4% processing fee applies.
